

## Greater Kansas City Chapter

### Exam Review Course Information

**CISA**-Starting in October, the Greater Kansas City ISACA chapter is presenting a Fall CISA review course in preparation for the December 9<sup>th</sup> CISA exam. The review course will be presented simultaneously through live classes at Webster University and through Web conferencing. This will enable those beyond a comfortable commuting range to still participate. The review course will be based on ISACA's CISA review materials including slides provided by ISACA. The registration fee for this course is \$100 (both for on-site and Web conferencing) which includes the review hand-out. Additionally, participants are encouraged to purchase the CISA Review Manual available on ISACA's online bookstore. The nine week CISA review course will be held on Wednesdays beginning October 4<sup>th</sup>. The course will be held at Webster University (Room 215) from 6 pm - 8 pm. If you have interest in either physically attending a review course or participating remotely, please contact Jerry Wistrand, CISA Coordinator, at (816) 760-7813 or e-mail at [g.wistrand@att.net](mailto:g.wistrand@att.net).

**CISM**-James McKenney, who passed the recent CISM exam, will facilitate two free study sessions in Kansas City the weekend before the CISM exam including: (1) test taking tips and strategies, (2) use of the official course review materials, and (3) free food and drinks. There will also be remote access capabilities for portions of the study sessions. This will include both telephone and web conference capabilities and online collaboration and study opportunities via Wiki style web pages. Once you have registered for the CISM exam, please contact James McKenney, CISM Coordinator, at (913) 621-8486 or [jmckenney@securitybankkc.com](mailto:jmckenney@securitybankkc.com) in order to participate in the review course.

### Certifications & The DoD

The US Department of Defense (DoD) 8570.01-M "Information Assurance Workforce Improvement Program" manual names ISACA's Certified Information Systems Auditor (CISA) and Certified Information Security Manager (CISM) certifications among those approved for DoD information assurance (IA) professionals. The directive requires up to 80,000 professionals to earn one of 13 certifications offered by five organizations.

### Two Upcoming Seminars Hosted by the Central Oklahoma Chapter of ISACA

The Central Oklahoma Chapter of ISACA is holding two upcoming seminars. The first seminar entitled, "Security and Audit of TCP-IP and Web Technology," is scheduled for October 30<sup>th</sup> through November 1<sup>st</sup>. There will be 22 CPE hours granted and the instructor is Ken Cutler from the MIS Training Institute. The second seminar entitled, "Securing & Auditing Oracle Databases + Workshop," is scheduled for October 30<sup>th</sup> through November 2<sup>nd</sup>. There will be 34 CPE hours granted and the instructor is Betty Dorsey from the MIS Training Institute. Please see the attachments contained within the newsletter distribution e-mail for more details on these seminars. If you have specific questions, please e-mail [salleen@oge.com](mailto:salleen@oge.com).

## Certification Results Update

The pass/fail result letters for the June 2006 Certified Information Systems Auditor™ (CISA®) and Certified Information Security Manager® (CISM®) exams, including a breakdown by content area, were mailed during the first week of August. To ensure the confidentiality of scores, exam results are not reported by telephone or fax. For candidates who consented to item #26 on the registration form, a one-time pass/fail status and score notification was also sent by e-mail during the first week of August. Additionally, candidates are able to view their exam score at [www.isaca.org](http://www.isaca.org) using their login credentials and password. Please note that the result letters may not arrive for several weeks in some locations.

## Monthly Member Benefits

**Journal Online**

**1:** Journal Online is the online-only counterpart to the Information Systems Control Journal®. Articles included in Journal Online undergo the same rigorous peer-review process as articles found in the print version of the Journal. Journal Online articles are available exclusively to ISACA members for one year. Journal Online is updated bi-monthly on the first business day of the month in which no print Journal is released (February, April, June, August, October and December). Members receive an e-mail announcing the articles' availability once they are posted.

**2:** Available in HTML and PDF at [www.isaca.org/journalonline](http://www.isaca.org/journalonline).
