The latest CISA and CISM study aids for the 2008 exams are now available. CISA exam reference materials are available at [www.isaca.org/cisabooks](http://www.isaca.org/cisabooks). CISM exam reference materials are available at [www.isaca.org/cismbooks](http://www.isaca.org/cismbooks).

### CGEIT Certification Grandfathering Application

ISACA developed the Certified in the Governance of Enterprise IT™ (CGEIT™) certification for professionals charged with satisfying the IT governance needs of an enterprise. The certification program recognizes those who have the necessary level of professional knowledge, personal skills and business experience to maximize the contribution made by information technology to an enterprise's success while managing and mitigating risks posed by IT.

The CGEIT Grandfathering Application is now available on the ISACA website at [www.isaca.org/cgeitgfapp](http://www.isaca.org/cgeitgfapp). Additional information about the new certification can be found at [www.isaca.org/cgeit](http://www.isaca.org/cgeit).
