

Greater Kansas City Chapter

A message from our ISACA President Jennifer Harper

Dear friends and colleagues,

"The only thing constant in life is change." The month of May has always signaled a time for change within our Chapter of ISACA, and this year is no different. As we elect new officers this month, I think you'll be pleased to find a mix of both old and new friends ready to lead the Chapter and introduce exciting, fresh ideas.

We've seen substantial growth in our Chapter for the past few years, not only in membership numbers, but also in our collective knowledge as our industry expands and evolves at a rapid pace. All of us understand how hard it can sometimes be to stay ahead of the changes, and my hope is that our Chapter will be a source of guidance and information to help you in that journey.

It has been an absolute pleasure serving as your President for the past few years. I've gained valuable experience that will be beneficial to me for many years to come. If there is anything I can do for you in the future, please do not hesitate to contact me. Thank you again for allowing me this wonderful opportunity.

Sincerely,

Jennifer Harper
President
